INFORMATION CIRCULAR

(As at September 29, 2023, except as indicated)

Luminex Resources Corp. (the “**Company**”) is providing this information circular (the “**Circular**”) and a form of proxy in connection with management’s solicitation of proxies for use at the annual general and special meeting (the “**Meeting**”) of the Company to be held at Meeting Room 285, 888 Dunsmuir Street, Vancouver, British Columbia, V6C 3K4 on Wednesday, November 15, 2023 at 11:00 a.m. (Pacific Time), and at any adjournments thereof, for the purposes set forth in the accompanying notice of meeting (the “**Notice of Meeting**”).

The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact with shareholders. The Company will pay the cost of solicitation.

All currency figures in this Circular are in Canadian dollars, unless otherwise indicated.

NOTICE-AND-ACCESS

The Company is sending proxy related materials to its registered and non-registered (beneficial) shareholders using “notice-and-access”, as defined under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Notice-and-access is a set of rules for reducing the volume of materials that must be physically mailed to shareholders by allowing issuers to post their information circular and additional materials online. Instead of receiving paper copies of meeting materials, shareholders receive a “notice-and-access notice” containing prescribed information, as well as a form of proxy or voting information form, as applicable.

The Company will not use procedures known as “stratification” in relation to its use of the notice-and access provisions in relation to the Meeting. Stratification occurs when a reporting issuer using notice and-access provides a paper copy of the relevant information circular to some, but not all, shareholders with the notice package in relation to the relevant meeting.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed on the form of proxy are officers or directors of the Company (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the form as mailed. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Common shares of the Company (“Common Shares”) represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. As of the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company’s registrar and transfer agent, Computershare Investor Services Inc. at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of Common Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the Common Shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the Common Shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or clearing agency such as the Canadian Depository for Securities Limited (a “Nominee”). If you purchased your Common Shares through a broker, you are likely a non-registered holder.

In accordance with relevant securities laws and regulations, the Company has distributed copies of the notice-and-access notice and form of proxy to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Common Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order to ensure that your Common Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form, as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”).

The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting materials to the Nominees for distribution to NOBOs.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a shareholder, his or her attorney authorized in writing or, if the shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by an instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares, of which 173,930,019 Common Shares were issued and outstanding as of September 27, 2023 (the “**Record Date**”). Persons who are registered shareholders at the close of business on the Record Date will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each Common Share held. The Company has only one class of shares.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all shares of the Company, other than the following:

Name	Number of Common Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly	Percentage of Outstanding Common Shares
Ross Beaty	34,748,803 ⁽¹⁾	19.98%

⁽¹⁾ Does not include 425,000 Options (as defined below) granting Mr. Beaty the right to acquire an additional 322,500 Common Shares and 6,598,618 Company warrants granting Mr. Beaty the right to acquire an additional 6,598,618 Common Shares.

ELECTION OF DIRECTORS

The Company currently has five (5) directors, all of whom have been nominated for re-election. The directors of the Company are elected at each annual general meeting and generally hold office until the next annual general meeting or until their successors are appointed. In the absence of instructions to the contrary, proxies will be voted for the nominees listed herein.

The Company is required by applicable securities laws to have an audit committee. Members of the audit committee (the “**Audit Committee**”) are as set out below.

Donald Shumka was a director of Paladin Energy Ltd. (“**Paladin**”) while it was the subject of a cease trade order issued by the Ontario Securities Commission on October 4, 2017 as a result of Paladin’s failure to file its annual information form, audited financial statements, related management’s discussion and analysis and officer certifications for the year ended June 30, 2017. This was the result of Paladin being in voluntary administration at the time and not being able to release financial information. Paladin’s shares were suspended from trading on the Toronto Stock Exchange (“**TSX**”) on May 18, 2017 and from the Australian Stock Exchange (“**ASX**”) on June 12, 2017. On August 10, 2017, Paladin’s shares were delisted from the TSX. Paladin’s shares were reinstated for trading on the ASX on February 16, 2018 and it does not plan on applying to have its shares re-listed on the TSX. The cease trade order was revoked by the Ontario Securities Commission effective June 29, 2018. Mr. Shumka resigned as a director of Paladin on December 8, 2017.

EXECUTIVE COMPENSATION

Report on Executive Compensation

The overall objective of the Company's compensation program is to attract and retain directors and officers with appropriate expertise to assist the Company with its business goals and objectives. The Company does not currently have a compensation committee. The Company's board of directors (the "**Board**") is responsible for the determination and review of the Company's executive compensation arrangements. The Company considers that its current directors have sufficient industry knowledge and experience, through other executive and corporate positions held, to fulfill the needs of the Company in formulating executive compensation arrangements.

The Company's compensation structure is designed to reward performance and to be competitive with the compensation arrangements of other Canadian resource companies of similar structure, size and scope of operations. Each executive officer's position is evaluated to establish skill requirements and level of responsibility and this evaluation provides a basis for internal and external comparisons of positions. In addition to industry comparables (which are based primarily upon the directors' knowledge and experience), the Board considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-term interests of the Company and its shareholders, overall financial and operating performance of the Company and the Board's assessment of each executive's individual performance and contribution towards meeting corporate objectives. Executive officers' compensation during the year ended December 31, 2022, was composed of three major components: (i) base salary; (ii) cash bonus; and (iii) incentive stock options ("**Options**"). Interested executives do not participate in reviews, discussions or decisions of the Board regarding this remuneration.

Base salary ranges are determined at the discretion of the Board utilizing the knowledge of the Company's directors with regard to similar positions in Canadian resource companies of comparable size and scope of operations. The salary for each executive officer's position is then further determined having regard to the incumbent's responsibilities, individual performance factors, overall corporate performance, potential for advancement, and the assessment of the Board of such matters as are presented by management.

The second component of executive officers' compensation is cash bonuses. In light of a recommendation from the directors or management, the Board may grant executive officers cash bonuses. To date the performance criteria and objectives considered by the Board for determining the availability of such bonuses include the Company's share performance generally and each executive officer's role in the progress of the Company's main mineral projects.

The third component of executive officers' compensation is Options. Grants of Options are intended to align the interests of the executive officers with those of the shareholders over the longer-term. Options to purchase up to 950,000 Common Shares were granted to executive officers during the fiscal year ended December 31, 2022.

The Board does not directly correlate the relationship between the different elements of compensation in determining the overall compensation plan.

The Company has entered into employment and/or consulting contracts with its executive officers. Further details pertaining to agreements with NEO's are described in the section "Termination and Change of Control Benefits."

Compensation Discussion and Analysis

Compensation paid to the Company's Named Executive Officers (as defined below) during the fiscal year ended December 31, 2022 consisted of salaries, bonuses and Options. No other compensation was paid to these individuals during the fiscal year. Other than the adoption of the Omnibus Plan (as defined below), there have been no significant changes to the compensation structure of the Company since December 31, 2022 to the date of this Circular.

In determining whether to grant Options to executive officers of the Company, management proposes a number of Options to be granted based on an executive officer's individual performance, and the performance of the Company based on that individual's activities. The Board has final approval for any such proposals. The Board does not generally consider the number of Options held from previous grants when considering new grants but does consider the timing of such grants (i.e. grants are generally not made to an individual more frequently than on an annual basis).

Option-based Awards

The Board implemented a stock option plan effective August 31, 2018 (the "**Stock Option Plan**"). On September 26, 2023, the TSX Venture Exchange (the "**TSX-V**") conditionally approved a fixed maximum omnibus equity incentive plan (the "**Omnibus Plan**") to replace the Stock Option Plan, and on September 29, 2023, the Board adopted the Omnibus Plan, subject to shareholder approval.

At the Meeting, the Company's shareholders will be asked to consider, and if thought advisable, to pass an ordinary resolution in substantially the form set forth in Schedule "B" hereto to confirm and approve the Omnibus Plan. Under TSX-V Policy 4.4 *Security Based Compensation* ("**TSX-V Policy 4.4**"), the Omnibus Plan, as a fixed maximum plan, must be approved when it is first adopted by an ordinary resolution of the shareholders entitled to vote at the Meeting. For more information regarding the Omnibus Plan and its adoption, see "Particulars of Other Matters to be Acted Upon – Approval of Omnibus Plan". The Omnibus Plan is intended to replace the Stock Option Plan and, if such replacement occurs, no additional Options will be granted under the Stock Option Plan.

A summary of the Stock Option Plan is set out below. The below summary is qualified in its entirety by the full text of the Stock Option Plan filed on the Company's SEDAR+ profile at www.sedarplus.ca.

The Stock Option Plan has been used by the Board to provide Options which are granted in consideration of the level of responsibility of the director and executive officer as well as his or her impact and/or contribution to the longer-term operating performance of the Company. Any grant of Options under the Stock Option Plan, as well as their vesting provisions, term and exercise price, has been within the discretion of the Board, subject to restrictions as detailed in the Stock Option Plan. In determining the number of Options to be granted, the Board takes into account the total number of Options previously granted across the Company. The Company ensures that the exercise prices of any Options granted are determined in accordance with the policies of the TSX-Venture. It is the Company's intention to closely align the interests of the beneficiaries of Option grants with the interests of the Company's shareholders.

Compensation Risk Management and Mitigation

The Board has considered the implications of the risks associated with, and is responsible for setting and overseeing, the Company's compensation policies and practices. The Board does not provide specific monitoring and oversight of compensation policies and practices, but does review, consider and adjust these matters annually. The Company does not use any specific practices to identify and mitigate compensation policies that could encourage a Named Executive Officer or individual at a principal business unit or division to take inappropriate or excessive risks. These matters are dealt with on a case-

by-case basis. The Company currently believes that none of its policies encourage its Named Executive Officers to take such risks. The Company has not identified any risks arising from its compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

The Company does not currently have an anti-hedging policy in place for directors, officers or employees and such persons may therefore purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, units of exchange funds, puts, calls or other derivative securities that are designed to hedge or offset a decrease in market value of equity securities of the Company. The Board will assess the need and consider implementing such a policy in the future, if warranted.

Given the evolving nature of the Company's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

Summary Compensation Table

The following table (presented in accordance with National Instrument Form 51-102F6 *Statement of Executive Compensation*) sets forth all annual and long-term compensation for services in all capacities to the Company for the three (3) most recently completed financial years of the Company, being the completed financial years during which the Company was a reporting issuer, in respect of:

Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

Other Board Committees

The Company does not have any standing committees, other than the Audit Committee.

Approval of Omnibus Plan

The Company has adopted the Omnibus Plan which was approved by the Board on September 29, 2023. The Omnibus Plan is intended to replace the Stock Option Plan and, if such replacement occurs, no additional Options will be granted under the Stock Option Plan. The full text of the Omnibus Plan is included as Schedule "C" to this Circular. Under the policies of the TSX-V, the Omnibus Plan must be approved when it is first adopted by an ordinary resolution of the shareholders entitled to vote at the Meeting. The TSX-V has conditionally approved the Omnibus Plan, subject to receipt from the Company of, among other things, shareholder approval of an ordinary resolution in substantially the form set forth in Schedule "B" to this Circular to confirm and approve the Omnibus Plan.

The Omnibus Plan will be administered by the Board, or, if the administration of the Omnibus Plan has been delegated by the Board to a committee of the Board, such committee (the "**Plan Administrator**"). The Omnibus Plan will permit the Plan Administrator to grant Options and restricted share units ("**RSUs**")

and together with Options and RSUs, “**Awards**”). The Plan Administrator has the authority to interpret the Omnibus Plan, including in respect of any Awards granted thereunder.

Eligibility

All directors, officers, employees and consultants of the Company and its wholly owned subsidiaries (collectively, “**Participants**”) will be eligible to participate in the Omnibus Plan. The extent to which any such individual will be entitled to receive a grant of an Award pursuant to the Omnibus Plan will be determined in the sole discretion of the Plan Administrator.

Shares Subject to the Omnibus Plan

The Omnibus Plan will be a fixed maximum plan which, subject to the adjustment provisions provided for therein (including a subdivision or consolidation of Common Shares), provides that the aggregate maximum number of Common Shares that may be issued upon the exercise or settlement of Awards (together with awards under other security-based compensation arrangements) shall not exceed 15,000,000 Common Shares.

Participation Limits

The Omnibus Plan will also provide that, in each case under all of the Company’s security-based compensation arrangements, the maximum aggregate number of Common Shares: (a) issuable to Insiders (as a group) at any point in time cannot exceed 10% of the Company’s issued and outstanding Common Shares; (b) issuable to Insiders (as a group) within any 12 month period cannot exceed 10% of the Company’s issued and outstanding Common Shares; (c) issuable to any one person within any 12 month period cannot exceed 5% of the Company’s issued and outstanding Common Shares; and (d) issuable to any one consultant within any 12 month period cannot exceed 2% of the Company’s issued and outstanding Common Shares.

Investor Relations Service Providers may not receive any Award other than Options and the maximum aggregate number of Common Shares issuable to Investor Relations Service Providers within any 12 month period (under all of the Company’s security-based compensation arrangements) cannot exceed 2% of the Company’s issued and outstanding Common Shares.

Administration of the Omnibus Plan

Except as permitted by the Plan Administrator and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant, by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect. To the extent that certain rights to exercise any portion of an outstanding Award pass to a beneficiary or legal representative upon the death of a Participant, the period in which such Award can be exercised by such beneficiary or legal representative shall not exceed one year from the Participant’s death.

Types of Awards

Awards of Options and RSUs may be made under the Omnibus Plan. All Awards described below will be subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Plan Administrator, in its sole discretion, subject to such limitations provided in the Omnibus Plan, and will be evidenced by an Award agreement.

Options

An Option will entitle a holder thereof to purchase a prescribed number of Common Shares from treasury at an exercise price set by the Plan Administrator at the time an Option is granted, which exercise price must in all cases be not less than Discounted Market Price (as defined in the Omnibus Plan). Subject to any accelerated termination as set forth in the Omnibus Plan, each Option will expire on its respective expiry date. The Plan Administrator will have the authority to determine the vesting terms applicable to grants of Options. Once an Option becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator, or as otherwise set forth in any written employment agreement, Award agreement or other written agreement between the Company or any of its subsidiaries and the Participant. The Plan Administrator will have the right to accelerate the date upon which any Option becomes exercisable, subject to the restrictions of the Omnibus Plan and the policies of the TSX-V. The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in the Omnibus Plan, such as vesting conditions relating to the attainment of specified Performance Goals (as defined in the Omnibus Plan).

The Omnibus Plan permits Participants to, with the permission of the Plan Administrator, exercise Options on a Net Exercise (as defined in the Omnibus Plan) basis. Net Exercise is a method of option exercise whereby the Participant does not make any payment to the Company for the exercise of their Options and receives on exercise a number of Common Shares equal to the value (“current market price” less the exercise price) of the Option, valued at the current market price. In accordance with the policies of the TSX-V, the “current market price” must be the 5-day volume weighted average trading price prior to the date the Option is exercised. Participants performing Investor Relations Services may not exercise Options on a Net Exercise basis.

An exercise notice must be accompanied by payment of the exercise price and the exercise price must be fully paid by cheque or by such other means as may be acceptable to the Plan Administrator.

If the Omnibus Plan is approved and adopted by the shareholders of the Company, Options which are outstanding under the Stock Option Plan as of the effective date of the Omnibus Plan shall continue to be exercisable and shall be deemed to be governed by and be subject to the terms and conditions of the Omnibus Plan, except to the extent that the terms of the Omnibus Plan are more restrictive than the terms of the Stock Option Plan, in which case the Stock Option Plan shall govern, provided that any Options granted, issued or amended after November 23, 2021 must comply with TSX-V Policy 4.4.

Restricted Share Units

An RSU is a unit equivalent in value to a Common Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Common Share (or the value thereof) for each RSU after a specified vesting period. The Plan Administrator may, from time to time, subject to the provisions of the Omnibus Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any Participant in respect of a bonus or similar payment in respect of services rendered by the applicable Participant in a taxation year.

The number of RSUs (including fractional RSUs) granted at any particular time under the Omnibus Plan will be calculated by dividing (a) the amount of any bonus or similar payment that is to be paid in RSUs, as determined by the Plan Administrator, by (b) the greater of (i) the Market Price (as defined in the Omnibus Plan) of a Common Share on the date of grant, and (ii) such amount as determined by the Plan Administrator in its sole discretion.

Upon settlement, holders will redeem each vested RSU for the following at the election of the Plan Administrator and the provisions of the Omnibus Plan and as otherwise provided in an Award agreement: (a) one fully paid and non-assessable Common Share issued from treasury in respect of each vested RSU, (b) a cash payment or (c) a combination of Common Shares and cash. Any such cash payments made by the Company shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price as at the settlement date.

Black-out Periods

In the event an Award expires, at a time when a scheduled blackout is in place or an undisclosed material change or material fact in the Company's affairs exists, the expiry of such Award will be the date that is 10 business days after which such scheduled blackout terminates or there is no longer such undisclosed material change or material fact.

Term

While the Omnibus Plan does not stipulate a specific term for Awards granted thereunder, Awards must expire within five years from their date of grant, except where an expiry date would have fallen within a blackout period applicable to the Participant, in which case the Award will expire within 10 business days following the end of such blackout period. All Awards must vest and settle in accordance with the provisions of the Omnibus Plan and any applicable Award agreement, which Award agreement may include an expiry date for the applicable Award.

Termination of Employment or Services

The following describes the impact certain events will have upon the Participants under the Omnibus Plan, including termination for cause, resignation, termination without cause, disability, death or retirement, subject, in each case, to the terms of a Participant's applicable employment agreement, Award agreement or other written agreement:

- Termination for Cause: Any Option or other Award held by the Participant that has not been exercised, surrendered or settled as of the Termination Date (as defined in the Omnibus Plan) shall be immediately forfeited and cancelled as of the Termination Date.
- Termination without Cause, Resignation, Death, Disability or Retirement: Any unvested Option or other Award shall be immediately forfeited and cancelled as of the Termination Date. Any vested Options may be exercised by the Participant within the time period contemplated by the Omnibus Plan, and any vested Award other than an Option shall be settled as soon as reasonably practicable in accordance with the Omnibus Plan.

Change in Control

Except as may be set forth in an employment agreement, Award agreement or other written agreement between the Company or a subsidiary of the Company and the Participant but notwithstanding anything else in the Omnibus Plan, in the event of a potential Change in Control (as defined in the Omnibus Plan), all Awards shall automatically vest. Participants may thereafter elect to conditionally exercise their Awards, such conditional exercise to be conditional upon the completion of the Change in Control. If, however, the potential Change in Control is not completed within the time specified (as the same may be extended), then: (i) any condition exercise of vested Awards shall be deemed to be null, void and of no effect, and such conditionally exercised Awards shall for all purposes be deemed not to have been exercised, (ii) Common Shares and/or cash which was issued pursuant to the exercise of Awards which vested pursuant to the Change in Control provisions of the Omnibus Plan will be returned by the

Participant to the Company and, in the case of Common Shares, reinstated as authorized but unissued Common Shares, and (iii) the original terms applicable to Awards which vested due to the Change in Control shall be reinstated.

Amendments to the Omnibus Plan

The Plan Administrator may, subject to the limitations provided in the Omnibus Plan and in accordance with applicable law, amend, modify, change, suspend or terminate the Omnibus Plan or Awards as it, in its discretion determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the Omnibus Plan or Awards may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Omnibus Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or TSX-V requirements.

Notwithstanding the above, and subject to the rules of the TSX-V, the approval of the shareholders and TSX-V will be required to affect any of the following amendments to the Omnibus Plan:

- a) increasing the percentage of Common Shares reserved for issuance under the Omnibus Plan, except pursuant to the provisions in the Omnibus Plan, which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company's capital;
- b) the amendment of any amending provision in the Omnibus Plan;
- c) reducing the exercise price of an Option (for this purpose, a cancellation or termination of an Option of a Participant prior to its expiry date for the purpose of reissuing an Option to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Option) except pursuant to the provisions in the Omnibus Plan, which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company's capital;
- d) extending the term of an Option beyond the original expiry date (except where an expiry date would have fallen within a blackout period applicable to the Participant or within 10 business days following the expiry of such a blackout period);
- e) the amendment of an entitlement to an individual Award;
- f) changing the eligible Participants;
- g) amending any of the termination provisions set out in Article 9 of the Omnibus Plan; and
- h) deleting or otherwise reducing the range of amendments which require approval of shareholders.

The approval of the shareholders on a disinterested basis in compliance with the applicable policies of the TSX-V will be required in the following circumstances:

- a) the reduction in the exercise price or purchase price of an Award benefiting an Insider;
- b) the extension of the term of an Award benefiting an Insider;
- c) the increase or removal of the 10% limit on Common Shares issuable or issued to Insiders; and

- d) the issuance to an Participant within a 12-month period, of a number of Common Shares exceeding 5% of the issued and outstanding Common Shares.

The Plan Administrator may, without shareholder approval, amend the Omnibus Plan for the purpose of: (a) amending the general vesting provisions of an Award, (b) adding covenants of the Company for the protection of the Participants, (c) amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, and (d) curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error.

The Company will be required to obtain TSX-V acceptance of any amendment to the Omnibus Plan.

Approval of Omnibus Plan

In order to be passed, a majority of the votes cast by shareholder at the Meeting, in person or by proxy must be voted in favour of an ordinary resolution in substantially the form set forth in Schedule “B” hereto to confirm and approve the Omnibus Plan.

Management of the Company believes that the approval of the Omnibus Plan as described above is in the best interests of the Company and recommends that shareholders vote in favour of the ordinary resolution approving the Omnibus Plan.

In the absence of instructions to the contrary, the persons named in the form of proxy intend to vote for the approval of the Omnibus Plan.

ARTICLE 6 ADDITIONAL AWARD TERMS

8.3 Reorganization of Company's Capital

Should the Company effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Company that does not constitute a Change in Control

and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

8.4 Other Events Affecting the Company

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Company and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number and/or type of Shares that may be acquired, or by reference to which such Awards may be settled, on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

8.5 Immediate Acceleration of Awards

In taking any of the steps provided in Sections 8.3 and 8.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 8.3 and 8.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required to, permit the immediate vesting of any unvested Awards, subject to compliance with the Exchange Policies.

8.6 Issue by Company of Additional Shares

Except as expressly provided in this Article 8, neither the issue by the Company of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards.

8.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, if, as a result of any adjustment under this Article 8 or a dividend equivalent, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 9 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

9.1 Amendment, Suspension, or Termination of the Plan

Subject to approval from the Exchange and the Company's shareholders, as applicable, the Plan Administrator may from time to time, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such

adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange Policies. Any such actions will not constitute a breach of the terms of any Participant's employment or engagement, as applicable.

9.2 Shareholder Approval

- (a) The Company shall seek annual Exchange and shareholder approval for this Plan, in conformity with the Exchange Policies.
- (b) Notwithstanding Section 9.1 and subject to any rules of the Exchange, approval of the holders of Shares shall be required for any amendment, modification or change that:
 - (i) increases the number of Shares reserved for issuance under the Plan, except pursuant to the provisions under Article 8 which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
 - (ii) amends an amending provision within the Plan;
 - (iii) reduces the exercise price of an Option (for this purpose, a cancellation or termination of an Option of a Participant prior to its Expiry Date for the purpose of reissuing an Option to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Option) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
 - (iv) extends the term of an Option beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within 10 Business Days following the expiry of such a blackout period);
 - (v) amends an entitlement to an individual Award;
 - (vi) changes the eligible participants of the Plan;
 - (vii) amends any of the termination provisions set out in Article 7; or
 - (viii) deletes or reduces the range of amendments which require approval of shareholders under this Section 9.2.
- (c) The Company is required to obtain shareholder approval on a "disinterested" basis in compliance with the applicable Exchange Policies in the following circumstances:
 - (i) reduces the exercise price or purchase price of an Award benefiting an Insider;
 - (ii) extends the term of an Award benefiting an Insider;
 - (iii) increases or removes the ten percent (10%) limits on Shares issuable or issued to Insiders as set forth in Section 3.7; and

- (iv) the issuance to any Participant, within a 12-month period, of a number of Shares exceeding five percent (5%) of the issued and outstanding Shares.
- (d) The Company shall be required to obtain Exchange acceptance of any amendment to this Plan.

9.3 Permitted Amendments

Without limiting the generality of Section 9.1, but subject to Section 9.2, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to add covenants of the Company for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (c) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors; or
- (d) making such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 10 MISCELLANEOUS

10.1 Legal Requirement

The Company is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its sole discretion, such action would constitute a violation by a Participant or the Company of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

10.2 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

10.3 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as a Director, Officer, Employee, Management Company Employee or Consultant. No Participant has any rights as a shareholder of the Company in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

10.4 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Company from taking corporate action which is deemed by the Company to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

10.5 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment agreement with the Company or a subsidiary of the Company, as the case may be, on the other hand, the provisions of this Plan shall prevail.

10.6 Anti-Hedging Policy

By accepting an Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Awards.

10.7 Participant Information

Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer the Plan. Each Participant acknowledges that information required by the Company in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

10.8 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Company to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Company does not assume responsibility for the income or other tax consequences for the Participants and Directors and they are advised to consult with their own tax advisors.

10.9 International Participants

With respect to Participants who reside or work outside Canada, the Plan Administrator may, in its sole discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one (1) or more sub-plans to reflect such amended or otherwise modified provisions.

10.10 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Company and its subsidiaries.

10.11 General Restrictions or Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

10.12 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.
